Governor Attendance at Meetings

September 2025 - July 2026

This table shows the attendance of governors at formal meetings of the Governing Body and its committees during the 2025-2026 school year (September 2025 - July 2026).

The table does not show where governors attended a committee meeting as an observer, rather than a member. New governors normally attend committee meetings as observers, initially as part of their induction.

Format

The table shows the number of meetings attended by each governor against the number of meetings which he/she was eligible to attend. For example "2/3" means that the governor was eligible to attend 3 meetings and attended 2 of these.

Abbreviations

GB = Full Governing Body meetings

C = Curriculum Committee

F = Finance Committee
