Nurture, grow, flourish

Week Beginning 29th September 2025

Dear Parents/Carers,

It is hard to believe the children have already completed 4 weeks of school. Time just seems to fly by! However, the work that the children are producing is of a very good standard and they are all very proud of their work.

I have met with children from Year 5 and Year 6 this week to discuss their school and ask them what else they think would improve it further. Many of the children are extremely happy with how the school currently is, but some would like a swimming pool. Unfortunately this is beyond our budget! The children enjoy the clubs on offer, the trips, the lessons and all the different themed weeks. They are also good at recognising how much effort the adults put in to organising these weeks and appreciate how it further helps them with their learning.

I have also met with Year 3 and Year 4 and I plan on meeting with reception, Year 1 and Year 2 children next week to gather their suggestions and ideas.

The weather has been really good this week but please continue to send your child to school with a coat each day.

Have a great weekend.

Mr R. Walsh  
Headteacher
