Nurture, grow, flourish

Week Beginning 10th March 2025

Dear Parents/Carers,

It was great to see so many parents come into school for the Willow Class parent lesson and lunch. All of the children enjoyed having you there and I hope you also enjoyed the experience.

I went to see how our swimmers are getting on at Morton Hall School this week and I spoke to the swimming instructors about their progress and listening skills. The instructors reported that our children are making good progress in swimming, and they added that the children's behaviour is excellent along with their listening skills. It is always nice to hear this feedback.

I took part in a Year 5 PE lesson this week and was very impressed with the level of skill many of our children have in football. It was also great fun to be involved in this excellent lesson and the children most definitely put me to the test and assessed my ability!

Have a great weekend.
