Nurture, grow, flourish

Week Beginning 20th January 2025

Dear Parents/Carers,

It has been a much warmer week and the children have enjoyed getting outside a little more compared to last week. Hopefully we don't have too much more cold weather as it is important that the children get outside to enjoy playing games with their friends at play times and lunch times.

Our nursery children continue to grow in confidence by the day and we have had some new children join our nursery who have settled very quickly. The learning environment for the children is excellent and they are all making new friends, which is great to see.

Please can you ensure your child comes to school wearing school shoes and not trainers. We are seeing a slight increase in the volume of children not wearing school shoes. School shoes are part of the uniform policy at the school, which is available on the school website. Thank you to all that continue to follow the school uniform policy.

Have a great weekend.

After School Clubs

For safeguarding purposes, a register is
kept at each club so that children can be
accounted for.

Children **MUST** attend the club they have
been allocated every week apart from
exceptional circumstances i.e. doctors

In circumstances such as this the school
