Nurture, grow, flourish

Week Beginning 30th September 2024

Dear Parents/Carers,

Thank you to everyone for your kind donations to the Little Princess Trust charity and to Lenny from Year 5 for donating his hair to the trust.

Sadly, the weather has not been at its best, but the children have done really well with their continuing focus and concentration in lessons.

Please continue to send your children to school with coats as we will use opportunities to get the children outside even if it is raining a little.

May I also request that you ensure that you continue to read with your child each day at home. It is so important that children practise reading everyday for at least 10 minutes.

Have a great weekend.

Mr. Walsh

School Nursing

The School Nursing Team provide health and wellbeing information, advice, support and guidance to children and young people, teachers, families and carers across Shropshire. We are part of the 0-19 Public Health Nursing Service which contains Specialist Nurses (School Nurses and Health Visitors), Registered Nurses, Healthy Child Practitioners and Support Workers.

Every Local Authority funded school in Shropshire has a named School Nurse. We offer lots of different services, workshops and events enabling schools to contribute to PSHE outcomes, as well as targeted one to one support for children and their families.

Your child might come across a School Nurse in school in an education session or health related workshop, but we will not see your child alone without your consent. Sometimes, children ask us for individual advice and we will always feed this back confidentially to parents and carers.

Here are some examples of the topics we can support you with:

Healthy lifestyles

Diet and
restricted
eating

Transition and change

School readiness
Behaviour

Sleep Development

Puberty
(including
management
of periods)

Oral/dental hygiene

Toileting and constipation
Handwashing

Anything else you might be concerned about!

Parents and carers can also call or text us for confidential advice and support around any health or development concerns or worries they may have about their child, we will not share this information with your child's school without your consent.

You can get further information, ask questions or simply contact your School Nurse for a chat by calling our Single Point of Access (SPOA) on

0333 358 3654

OR texting: **07507 330 346.**
