Nurture, grow, flourish

Week Beginning 23rd September 2024

Dear Parents/Carers,

We are already 3 weeks into the new term and the children continue to impress everyone with how hard they are working. Our nursery children have settled incredibly well and the reception class have got off to a great start.

The weather has been great this week and it has allowed the children to learn more outside. The school competitions have begun and we had a group of children attend a new age curling event. They really enjoyed the experience and represented the school brilliantly.

The cameras that are monitoring School Lane in the morning and afternoon appear to be having a positive impact. The children have reported that they feel much safer without the cars coming up and down the road when they are going to school and leaving school. However, I have reminded them that this does not happen on every road and they must still take care as residents can still use the road. Moreover, I had reminded them to stay close to their parent and not to walk/run/scoot/cycle too far ahead.

Have a great weekend.

Mr. Walsh
