Nurture, grow, flourish

Week Beginning 9th September 2024

Dear Parents/Carers,

Welcome back everyone. It was great to see so many of the children return with a big smile on their face this week. They came through the school gate like they have never been away! This continued throughout the week although some were very tired by the end of the week, which can be expected. However, across the entire school, all of the children have settled right back into the school routine and are already producing some fantastic work.

Our nursery children have also had a great start and it is great to see them enjoy their new setting.

We had a small glitch in our Teacher to Parent system, but the company has ensured us that everything should now be up and working and have apologised for any inconvenience.

Our clubs start next week and a big thank you to Mrs. Jones and Mrs. Bradley in the office for sorting the places for the children.

Have a great weekend.

Mr. Walsh
