Nurture Grow Flourish

02/09/2026

Dear Parents and Carers,

Welcome back everyone and I hope you had a great summer.

We would like to provide you with an update regarding the building work currently taking place at school.

We anticipate that the work on the outside of the building will be completed within the next **two weeks**. The new roof is expected to be in place by **Friday**, after which the scaffolding can be removed. Subject to the progress of the work, we are hoping that the fencing surrounding the area will be removed by **the end of next week**.

The fencing has been put in place as an important safety measure to ensure that the children are kept safely away from the building work and the work area.

We would also like to reassure you that **no building work will take place while children are using the playground**. The safety and wellbeing of our pupils remain our highest priority.

Please be aware that the timescales above may be affected by **weather conditions**, particularly while the roofing work is being completed. We will continue to monitor progress and keep you informed should there be any significant changes.

Thank you for your patience and understanding while these works are completed.

Yours sincerely,

Mr. Walsh
